## **CITY TO OFFER WEEKEND PROMOTION AT SPRING STREET GARAGE**

**(Greenville SC)** Beginning this week, the City of Greenville will offer a special parking promotion on Fridays and Saturdays at the Spring Street Garage, located at 316 South Spring Street. The promotion will begin at 6:00 p.m. on Fridays and end at midnight on Saturdays. Anyone who enters and exits the Spring Street Garage during those hours will only be required to pay a flat fee of \$2.00. The Spring Street Garage is located just a block away from the heart of the TD Saturday Market, and to encourage its use on Saturdays, the City has designed the promotion to coincide with the market season, which runs through October 25. To launch the promotion, beginning this Saturday at 8:15 a.m., the first 25 cars that enter the Spring Street Garage via the Spring Street entrance will receive a free car wash voucher, which can be redeemed at any Greenville Car Wash location.
